CHAIRMAN'S MESSAGE

Mr. **SATISH PARMAR**
Chairman & CFO

Dear Shareholders,

It is my distinct privilege to present our annual report as a publicly traded company. This year marked a major milestone in our journey, defined by operational expansion, product innovation, and steady financial progress—all made possible by the dedication of our team and the continued trust of our investors and partners.

Financial Highlights

Despite a complex macroeconomic backdrop, our disciplined execution delivered resilient top-line and bottom-line performance on a consolidated basis operating revenue (Total INR 16084.93 Lacs) growth of 6% YOY, Consolidated EBITDA (INR 2316 lacs) growth by 9% YOY and Consolidated PAT (INR 1193 lacs) increased by 1% on YOY basis.

Operational Milestones & Global Footprint

- **Infrastructure Expansion:** Our subsidiary, EM Press Form Solutions Pvt. Ltd., commenced operations at its new 5,000 sq. meter facility equipped with a state-of-the-art fabrication setup. This facility secures backward integration for our core component manufacturing while enabling us to monetize spare capacity by servicing major multinational corporations.
- **International Resilience:** Overcoming global macroeconomic headwinds and regional geopolitical challenges, our overseas entity, Energy Mission Machineries USA Inc., maintained strong market performance across North, Central, and South America.
- **Product Line Success:** In FY25, we successfully introduced high-demand product lines including Four-Roll Press machines, Hydraulic Presses, and V-Grooving machines. These lines registered robust initial sales momentum, laying a solid foundation for brand building and market share expansion in the year ahead.

Strategic Direction & Future Growth

Looking ahead, we remain committed to operational excellence driven by process optimization, technological innovation, capacity expansion, and sustainability. Our strategic priorities are designed to cement our industry presence and create enduring, long-term value for our shareholders.

On behalf of the Board, I express my sincere gratitude for your continued confidence in our vision. We look forward to building on this foundation and delivering sustained growth together.

MD'S MESSAGE

Mr. **DINESH CHAUDHARY**
Managing Director

Dear Shareholders,

Financial Year 2025–26 was a landmark period defined by resilience, execution, and growth. As we complete our second year as a publicly listed entity on the NSE Emerge platform, I am proud to report that the strategic initiatives outlined last year have delivered tangible results despite persistent macroeconomic challenges.

Key Strategic Accomplishments

- **Product Innovation & Commercial Success:** Following the successful indigenous development of our 4-Roll CNC Plate Rolling Machines and Hydraulic Presses, we experienced substantial market adoption this year. Sales for both product lines grew between 50% and 80%, with both products now contributing approximately 3% each to our total sales revenue. Their performance has earned strong customer trust, setting a clear path for further revenue growth in the coming year.
- **Global Footprint Expansion:** Our overseas subsidiary, Energy Mission Machineries USA Inc., delivered impressive results despite global economic headwinds. Beyond our established presence in the US and Latin America, our products gained significant acceptance in Canada—a key growth region we are actively prioritizing. Looking ahead, we plan to extend our marketing network into European markets in due course.
- **Key Account Acquisition:** We successfully secured strategic orders with prominent new clients in the Pre-Engineered Building (PEB) sector. This progress expands our key account portfolio and reinforces our competitive edge in high-growth segments.

Looking Ahead

Our journey as a public company is built on a foundation of operational discipline, customer trust, and continuous innovation. With a clear roadmap for market expansion and product development, we are well-positioned to drive long-term value for our stakeholders while advancing India's reputation as a hub for world-class sheet-metal machinery.

On behalf of the leadership team, I extend my gratitude to our shareholders, clients, business partners, and employees for their trust and commitment.

ADVANCED CNC MACHINERY

As part of our ongoing modernization efforts, we have strategically invested our IPO funds into acquiring advanced CNC machinery. This significant upgrade is designed to enhance our component manufacturing capabilities and deliver world-class quality.

Our newly installed fleet of high-end CNC machines is now fully operational. These state-of-the-art machines feature high-speed tools & sophisticated inspection probes, which collectively ensure faster, more productive & error-free production of components.

In addition to the new machinery, we have implemented a cutting-edge plant monitoring system. This system provides real-time logging and monitors the actual productivity of each machine, allowing us to maintain optimal performance and efficiency.

Our ultimate goal is to establish a truly world-class manufacturing operation that meets and exceeds our customers' expectations.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on 09:00 AM, 26th September, 2026 and ends on 05:00 PM, 29th September, 2026. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday 22nd September, 2026 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. ANNEXURE – A

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(Pursuant to Regulation 34(2)(e) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

Your directors have pleasure in presenting the Management Discussion and Analysis Report of Energy-Mission Machineries (India) Limited (“the Company” or “EMMIL”) for the financial year ended 31st March, 2026.

A. OVERALL REVIEW OF THE COMPANY

ENERGY-MISSION MACHINERIES (INDIA) LIMITED

Established in 2011, Energy-Mission Machineries (India) Limited is engaged in the business of designing and manufacturing CNC, NC and conventional metal-forming machines catering to the requirements of the industrial sector for metal fabrication solutions.

The Company's product portfolio comprises a wide spectrum of metal-forming machinery, including press brake machines, shearing machines, plate rolling machines, iron worker machines, hydraulic presses, busbar bending, cutting and punching machines and other special-purpose machines. The Company's products find applications across diverse industries including automotive, steel, pre-engineered buildings, furniture, HVAC, agricultural equipment, road construction equipment, elevators, food-processing machinery, metal-working workshops and various other engineering and manufacturing sectors.

The Company's manufacturing facility is situated at Sanand, Gujarat, and is equipped with modern technology and manufacturing processes to provide precision machinery required for metal cutting and forming operations.

The Company continues to offer an extensive range of variants of metal-forming machines and has established a diversified customer base across India as well as international markets. Its products have been supplied to various overseas markets including the USA, Switzerland, Russia, Nepal, Kenya, Uganda, UAE, Saudi Arabia and other Middle Eastern countries.

The Company also provides machinery tools, accessories and spare parts such as die punches, shearing blades, roller sets, holding springs, limit switches, foot switches, seal kits and linear scales, which facilitate effective after-sales service and support.

The manufacturing infrastructure of the Company comprises, inter alia, CNC plasma cutting facilities, machine shop, heavy fabrication shop, hydraulic cylinder shop, hydraulic power-pack shop, electrical panel wiring facilities, sheet-metal shop, shot-blasting chamber, paint-booth chamber, assembly lines and testing facilities.

The financial statements also describe the Company's principal activities as manufacturing hydraulic and NC hydraulic shearing machines, hydraulic, NC and CNC Syncro hydraulic press brakes, Iron Worker 'Sigma', deep-drawing presses, general-purpose hydraulic presses and special-purpose machines.

The following discussion on the economy and industry is based on various publicly available reports, industry publications and information available in the public domain. The Company does not assume responsibility for any discrepancy or subsequent revision in such external information.

B. OVERVIEW OF THE GLOBAL ECONOMY

The global economy continued to operate in a challenging and rapidly evolving environment during 2025-26, marked by geopolitical conflicts, trade and tariff uncertainties, volatility in commodity and energy markets, inflationary pressures and continuing changes in global supply chains. At the same time, rapid technological advancement, particularly the increasing adoption of artificial intelligence, automation and digital technologies, continued to create new investment opportunities and productivity gains across industries.

According to the International Monetary Fund's July 2026 World Economic Outlook Update, global growth is

projected at 3.0% in 2026, followed by an improvement to 3.4% in 2027. The outlook reflects the competing effects of geopolitical and energy-related disruptions on the one hand and technology-driven investment and economic activity on the other.

The operating environment nevertheless remains uncertain. Geopolitical developments, energy-price volatility, protectionist trade measures, changes in tariff structures and financial-market movements could continue to influence global investment and manufacturing activity.

At the same time, growing investment in automation, artificial intelligence, digital manufacturing and advanced production technologies is expected to support demand for sophisticated capital goods and manufacturing equipment. This transition towards smarter and more efficient manufacturing processes presents significant long-term opportunities for the global machine-tool industry.

C. OVERVIEW OF THE INDIAN ECONOMY

The Indian economy demonstrated strong resilience during FY 2025-26 despite uncertainties in the global economic environment.

According to the First Advance Estimates released by the National Statistical Office, India's real GDP was estimated to grow by 7.4% during FY 2025-26, compared with growth of 6.5% during FY 2024-25.

India continues to benefit from strong domestic consumption, infrastructure development, public and private capital expenditure, growing manufacturing activity and continued policy emphasis on domestic manufacturing.

Government initiatives aimed at strengthening the manufacturing ecosystem, infrastructure creation, localisation of supply chains and technological development continue to provide opportunities to the country's engineering and capital-goods sectors. Programmes such as Make in India and Aatmanirbhar Bharat, together with investments in infrastructure and manufacturing capacity, are expected to encourage greater domestic production and reduce dependence on imported capital goods over the medium to long term.

The increasing adoption of automation, digital manufacturing, artificial intelligence and Industry 4.0 technologies by Indian manufacturers is also creating demand for technologically advanced and precision-oriented machinery.

While global trade uncertainties, geopolitical tensions and commodity-price fluctuations remain key external risks, India's strong domestic economic fundamentals are expected to continue supporting manufacturing and investment activity.

D. INDUSTRY INSIGHT

Indian Industrial and Machine Tools Industry

The machine-tool sector forms an integral part of the capital-goods and engineering industry. Machine tools are often referred to as "mother machines" since they enable the manufacture of machinery and components used across virtually every major manufacturing industry.

The machine-tool industry therefore plays an important role in technological advancement, productivity improvement, quality enhancement and cost competitiveness of the overall manufacturing sector.

The Indian machine-tool industry caters to requirements across automotive and auto components, general engineering, defense and aerospace, railways, infrastructure, construction equipment, electrical equipment, agriculture machinery and various other manufacturing sectors.

The Indian machine-tool industry recorded encouraging performance during FY 2025-26. According to information published by the Indian Machine Tool Manufacturers' Association (IMTMA), production turnover of the Indian machine-tool industry reached approximately ₹16,478 crore during FY 2025-26, representing growth of around 13% over FY 2024-25 and marking the industry's highest-ever production turnover.

The overall consumption of machine tools in India crossed approximately ₹35,000 crore during the year, reflecting robust underlying demand. Order bookings were approximately ₹16,176 crore, registering growth of around 20%.

However, imports continue to constitute a significant share of domestic machine-tool consumption. This

presents both a competitive challenge and an opportunity for Indian manufacturers to increase localisation and develop technologically advanced products capable of substituting imports.

The increasing adoption of automation, robotics, CNC technology, artificial intelligence, connected machinery, advanced sensors and digitally integrated manufacturing processes is expected to significantly influence the industry's future development.

The continued emphasis on domestic manufacturing and localisation, together with India's growing engineering capabilities, skilled manpower and expanding manufacturing base, provides a favourable long-term environment for Indian machine-tool manufacturers.

E. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the financial year under review, the Company continued to register growth in its operations and profitability.

The Company's Revenue from Operations increased to ₹15,907.69 lakh during FY 2025-26 from ₹15,049.37 lakh during FY 2024-25, representing an increase of approximately 5.70%. Revenue comprised ₹15,808.09 lakh from sale of products and ₹99.61 lakh from sale of services.

The Company's Profit Before Tax stood at ₹1,690.69 lakh during FY 2025-26 as compared with ₹1,556.87 lakh during FY 2024-25, reflecting an increase of approximately 8.60%.

The Profit After Tax increased to ₹1,256.69 lakh during FY 2025-26 from ₹1,115.70 lakh during FY 2024-25, representing growth of approximately 12.64%. Basic and diluted earnings per share increased to ₹11.10 from ₹9.85 in the preceding financial year.

The performance reflects the Company's continued focus on operational efficiencies, customer requirements, cost management, product quality and sustained development of its business.

The Company continues to undertake product development, technological improvement, capacity enhancement, market development and other operational

initiatives in the ordinary course of business with the objective of supporting sustainable growth.

F. OUTLOOK

The outlook for India's manufacturing and capital-goods sectors remains positive over the medium to long term, supported by economic growth, infrastructure development, increasing manufacturing investments, localisation initiatives and the growing adoption of automated and technologically advanced production processes.

The Company's growth prospects are closely linked with capital expenditure undertaken by its end-user industries. Accordingly, economic growth, availability and cost of finance, investment cycles, commodity prices and general business confidence can influence demand for the Company's products.

The Company continues to focus on enhancing operational efficiency, developing innovative and value-added products, strengthening customer relationships and exploring opportunities in domestic and international markets.

The Company intends to pursue growth while maintaining financial and operational discipline and shall continue to evaluate opportunities for improving its product portfolio, manufacturing capabilities and geographical reach.

The Company remains optimistic about the long-term growth prospects of the machine-tool and metal-forming machinery industry and will endeavour to capitalise on emerging opportunities while appropriately managing associated risks.

G. SWOT ANALYSIS

STRENGTHS

- Experienced and visionary management team with established industry knowledge.
- Strong Research & Development capabilities.
- Wide and diversified range of metal-forming machines.
- Established and diversified customer base.
- Modern manufacturing infrastructure and technical capabilities.
- Skilled and trained workforce.
- Strong operational and financial position.

- Established presence in domestic as well as international markets.
- Ability to provide machinery, spare parts and after-sales support.
- Presence in government/tender business and diverse end-user industries.
- Continuous focus on product development and technological advancement.

WEAKNESSES

- Relatively long manufacturing cycle associated with customised and capital-intensive machinery.
- Requirement to maintain inventory of critical components to ensure timely production and delivery.
- Business performance is partly dependent upon the capital-expenditure cycle of customer industries.
- Working-capital requirements associated with manufacturing operations and inventory levels.

OPPORTUNITIES

- Growing demand for capital goods and manufacturing equipment in India.
- Government initiatives promoting domestic manufacturing and localisation.
- Increasing investments in infrastructure, automotive, defence, railways, renewable energy and general engineering.
- Growing adoption of automation, CNC systems, Industry 4.0 and artificial intelligence in manufacturing.
- Opportunities for import substitution due to India's continued dependence on imported machine tools.
- Increasing demand for high-precision and technologically advanced machinery.
- Potential for expansion of exports to new geographical markets.
- Opportunities arising from global supply-chain diversification.
- Development of customised and special-purpose machines for emerging industrial applications.

THREATS

- Competition from established domestic and global machine-tool manufacturers.
- Significant imports of machine tools into India.
- Volatility in prices of steel and other key raw materials.

- Foreign-exchange fluctuations affecting imports and exports.
- Geopolitical tensions and disruption in international supply chains.
- Changes in government policies, tariffs and international trade regulations.
- Economic slowdown or postponement of capital expenditure by end-user industries.
- Rapid technological changes requiring continuous investment in R&D and product development.
- Availability and cost of finance affecting investment decisions of customers.

H. RISKS AND CONCERNS

The Company recognises that risk is an inherent part of business operations and has adopted appropriate processes for identification, assessment, monitoring and mitigation of risks.

The Company's business may be exposed to risks arising from economic conditions, changes in demand from end-user industries, competition, technological developments, raw-material price volatility, supply-chain disruptions, foreign-exchange movements, credit risks, regulatory changes and geopolitical developments.

The Company continues to monitor these risks and undertakes appropriate measures to mitigate their impact. Risk management and mitigation measures are periodically reviewed by the management and, wherever appropriate, placed before the Board of Directors and its Committees.

The Company continues to strengthen its operational processes, diversify its customer base, maintain appropriate financial discipline and focus on technological advancement with a view to mitigating business and operational risks.

I. KEY FINANCIAL RATIOS

The key financial ratios of the Company for the financial year 2025-26, together with the comparative figures for the previous financial year and explanations for material variations, wherever applicable, have been disclosed in the Notes forming part of the Financial Statements.

The financial statements include, inter alia, the Current Ratio, Debt-Equity Ratio, Debt Service Coverage Ratio, Return on Equity Ratio, Inventory Turnover Ratio, Trade Receivables Turnover Ratio, Trade Payables Turnover Ratio, Net Capital Turnover Ratio, Net Profit Ratio, Return on Capital Employed and Return on Investment.

The said disclosures should be read as an integral part of this Management Discussion and Analysis Report.

J. FUTURE SCENARIO

The machine-tool industry is undergoing a structural transformation driven by digitalisation, automation, artificial intelligence and Industry 4.0.

Manufacturers are increasingly adopting technologically advanced production systems to enhance productivity, improve precision, reduce downtime, optimise resource utilisation and provide greater flexibility in manufacturing operations.

Integration of advanced sensors, artificial intelligence, sophisticated simulation systems, connected machinery and real-time monitoring is expected to improve machine performance and overall equipment effectiveness.

The increasing adoption of smart manufacturing practices is also creating opportunities for predictive maintenance, remote diagnostics, digitally enabled services and data-driven production management.

Customer expectations are gradually shifting towards machines capable of delivering greater precision, speed, flexibility, reliability and energy efficiency. Customisation and shorter product-development cycles are also becoming increasingly important.

The Indian manufacturing sector's continued expansion and increasing focus on localisation are expected to create opportunities for domestic machine-tool manufacturers. The significant share of imported machinery in India's overall machine-tool consumption also provides an opportunity for capable domestic manufacturers to develop import-substitution products.

The Company shall continue to focus on research and development, technology enhancement, operational efficiency, customer-centric solutions and expansion of

its market reach to participate in these emerging opportunities.

K. HUMAN RESOURCES

Human resources play a critical role in driving the Company's strategies, operations and long-term growth.

As on 31st March, 2026, the Company employed 264 employees.

The Company endeavours to provide its employees with a safe, conducive and productive working environment that encourages professional and personal development.

The Company's workforce comprises experienced, skilled and technically qualified personnel who contribute to manufacturing, research and development, sales and marketing, quality control, finance, administration and other critical functions.

The Company continues to undertake training and development initiatives to enhance the technical and managerial capabilities of its employees. The Company believes that continuous skill development, employee engagement and a positive organisational culture are essential for maintaining operational efficiency and supporting sustainable business growth.

The Company shall continue to focus on attracting, developing and retaining competent human resources while fostering a culture of performance, integrity, innovation and continuous improvement.

L. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has established adequate internal control systems commensurate with the size, nature and complexity of its operations.

The internal control framework is designed to ensure safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records, timely preparation of reliable financial information and compliance with applicable laws, regulations and internal policies.

Necessary checks and controls are in place to ensure that transactions are properly verified, appropriately authorised, correctly recorded and adequately reported.

The Internal Auditors of the Company conduct periodic audits of various functions and departments to evaluate the effectiveness of internal controls and submit their observations and recommendations to the Audit Committee.

The Audit Committee periodically reviews the adequacy and effectiveness of the Company's internal control systems and monitors implementation of corrective measures wherever considered necessary.

The management believes that the Company has maintained adequate internal financial controls over its business operations, statutory compliances and financial reporting.

M. CONCLUSION

The Company remains focused on strengthening its position in the metal-forming and machine-tool industry by leveraging its manufacturing capabilities, technological expertise, established customer relationships and experienced management team.

India's continued emphasis on manufacturing, infrastructure development, localisation and technological advancement provides a favourable long-term environment for the capital-goods industry.

The Company shall continue to focus on sustainable and profitable growth through product innovation, technological advancement, operational efficiency, cost optimisation, market expansion and customer satisfaction.

While the external environment continues to be influenced by geopolitical developments, global trade uncertainties, commodity-price movements and technological disruptions, the Company remains committed to identifying emerging opportunities and adapting its strategies in line with changing market conditions.

CAUTIONARY STATEMENT

Statements in this Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations, plans or predictions may constitute "forward-looking statements" within the meaning of applicable securities laws and regulations.

Actual results may differ materially from those expressed or implied in such forward-looking statements due to various risks and uncertainties, including economic conditions, demand and supply conditions, changes in government regulations and policies, taxation laws, raw-material prices, foreign-exchange fluctuations, competition, technological changes, geopolitical developments and other factors beyond the control of the Company.

The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements on the basis of subsequent developments, information or events, except as may be required under applicable laws.

ANNEXURE E

Form No. MR-3

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

SECRETARIAL AUDIT REPORT

For the Financial Year ended on 31st March, 2026

To,

The Board of Directors

Energy-Mission Machineries (India) limited

E-9/3 & E-12 Sanand-II, Industrial Area,

Bol GIDC Sanand, Bol, Sanand,

Ahmedabad, Gujarat 382170

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Energy-Mission Machineries (India) limited** (CIN: L29100GJ2011PLC063696). (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the **Energy-Mission Machineries (India) limited** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **Energy-Mission Machineries (India) limited** ("the Company") for the financial year ended on 31st March, 2026, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

However, it has been found that there were no instances requiring compliance with the provisions of the laws indicated at point (d), (e), (g), (h) of para (v) mentioned hereinabove during the period under review. Further, there were no instances of Foreign Direct Investment or External Commercial Borrowings.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreements entered into by the Company with the Stock Exchange, i.e. Calcutta Stock Exchange and the SEBI(Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended);

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision at the Board Meetings as represented by the management were carried out unanimously whereas, as informed, there is a system of capturing the views of dissenting members' and recording the same as part of the minutes, wherever required.

I further report that based on review of compliance mechanism established by the company we are of opinion that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there was no specific event/action having a major bearing on the company's affairs

INDEPENDENT AUDITORS' REPORT ON THE AUDIT OF STANDALONE FINANCIAL RESULTS

TO THE MEMBERS OF

ENERGY-MISSION MACHINERIES (INDIA) LIMITED

(formerly known as Energy-Mission Machineries (India) Private Limited)

Opinion

We have audited the accompanying standalone financial statements of **M/s ENERGY-MISSION MACHINERIES (INDIA) LIMITED** *(formerly known as Energy-Mission Machineries (India) Private Limited)* ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information. (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards specified under section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The accompanying standalone financial statements have been approved by the Company's Board of Directors.

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the accompanying standalone financial statements.
- (b) In our opinion, proper books of account as required by the law have been kept by the Company so far as it appears from our examination of those books.
- (c) The standalone financial statements dealt with by this report are in agreement with the books of account.

- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounting Standard) Rules, 2021.
- (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company as on 31 March 2026 and operating effectiveness of such controls, refer to our Separate Report in 'Annexure A' wherein we have expressed a unmodified opinion and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company, as detailed in note 29 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2026.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2026;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2026;
 - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("The Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("The Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("The Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year ended 31 March 2026 by the company.
 - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account for the financial year ended 31 March 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit and verification of transactions recorded during the year on sample basis we did not come across any instance of audit trail feature being tampered with.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE A

TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ('the Company') as of 31st March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B

TO THE INDEPENDENT AUDITORS REPORT

The Annexure referred to in paragraph 2 under the heading “Report on Other Legal and Regulatory Requirements” of our Report of even date

In terms of the information and explanations sought by us and given by the Company and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i. In respect of the Company’s Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of the Property, Plant & Equipment.
(B) The Company has maintained proper records showing full particulars of the intangible assets.
 - (b) The Property, Plant & Equipment have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification programme adopted by the Company, is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) In our opinion and according to information and explanations given to us and on the basis of an examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
 - (d) During the financial year, no revaluation of Property, Plant and Equipment or Intangible assets has been done by the company.
 - (e) To best of our knowledge and according to information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii.
 - (a) As per information and explanation given to us, physical verification of inventory has been conducted at reasonable intervals by the management and no material discrepancy has been observed.
 - (b) As the company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets; the quarterly/monthly returns/statements filed by the Company with such banks or financial institutions are generally in agreement with the books of account of the Company.
- iii. The company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, except an investment of Rs. 200.01 Lakhs by way of subscription of equity share capital of wholly owned subsidiaries during the earlier years. In our opinion the said investments is not prejudicial to the company’s interest.

- iv. The Company has not entered into any transaction covered under sections 185 and 186 of the Act. Accordingly, reporting under clause 3(iv) of the Order is not applicable to the Company.
- v. In our opinion and according to information and explanations given to us, the company has not accepted any deposits or there are no amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended}. Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- vi. The maintenance of Cost records has been specified by the Central Government under sub-section (1) of the section 148 of the Companies Act, 2013. We have broadly reviewed the books of accounts maintained by the company pursuant to the Companies (Cost Records and Audit) Rules, 2014 as amended, prescribed by the Central Government for maintenance of cost records under the relevant provisions of the Act and are of the opinion that prima facie, the prescribed cost records have been made and maintained by the company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) In our opinion, and according to the information and explanations given to us, the company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as applicable, with the appropriate authorities.

(b) According to information and explanations given to us no undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as at 31st March 2026 for a period of more than six months from the date they became payable except professional tax amounting to Rs. 3,61,690/-.

(c) According to the information and explanations given to us by the management and relied upon by us, there are no dues of Income Tax, Custom Duty, Wealth Tax, Sales Tax, GST, Excise duty & Cess, which have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income tax Act, 1961 which were not recorded in the books of accounts
- ix. (a) Company has taken various loans from Banks but no default in repayment of loans has been made by the company.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) Term Loans Taken by the company has been applied for the purpose for which they were obtained, no material discrepancies noticed.

(d) On overall examination of the standalone financial statements of the Company, funds raised on short term basis have, prima facie, not utilized during the year for long term purposes by the Company.

(e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries; hence reporting on clause 3(ix) (f) of the order is not applicable

x. (a) During the year, the company has not raised any funds through Initial Public Offering.

(b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Hence this clause is not applicable.

xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Govt, during the year and upto the date of this report.

(c) As represented to us by management, there were no whistle blower complaints received by company during the year.

xii. Since the company is not a Nidhi Company, hence the reporting under this clause is required.

xiii. According to the information and explanations given by the management, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the standalone Financial Statements, as required by the applicable accounting standards.

xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

xv. The company has not entered into any non-cash transactions with directors or persons connected with them.

xvi. The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi) (a), (b) and (c) of the Order are not applicable to the Company.

xvii. The company has not incurred any cash losses in the financial year and in the immediately preceding financial year.

xviii. There has not been any resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, the auditor's knowledge of the Board of Directors and management plans, the auditor is of the opinion that no material uncertainty exists as on date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- We, however, state that this is not an assurance as to the future viability of the Company. We further, state that our reporting is based on the facts upto date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. As explained, there are no ongoing projects for which the company is required to transfer any unspent amount to a Fund specified in Schedule VII of the Companies Act. Hence reporting under clause 3(xx) is not applicable.

The company has its registered office at Ahmedabad, Gujarat.

In accordance with the relevant provisions of the Companies Act 2013 (the 'Act'), the members of the Company at their Extraordinary General Meeting held on 31st July, 2023 accorded their approval to change the name of the Company. The Company has since received a fresh certificate of incorporation consequent upon change of name from the Registrar of Companies Ahmedabad dated 11th August, 2023 in respect of the said change. Accordingly, the name of the Company was changed from " Energy-Mission Machineries (India) Pvt. Ltd." to " Energy-Mission Machineries (India) Ltd." effective from 11th August, 2023.

2. Basis of preparation of Financial Statements

These financial statements are prepared in accordance with Indian generally accepted accounting principles (GAAP) which Includes mandatory accounting standards as prescribed under section 133 of companies Act, 2013 ('Act') read with the companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India. The financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis in accordance with the generally accepted accounting principles in India. The accounting policies have been consistently applied by the company.

Current and non-current classifications:

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

3. Summary of Significant accounting policies

(a) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognised in current and future periods.

(b) Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises purchase price and any directly attributable cost for bringing the asset to its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Expenditure on account of restoration/ modification/ alteration in plant and machinery, which increases the future benefit from the existing asset beyond its previously assessed standard of performance/ estimated useful life is capitalised. Insurance spares/ stand by equipment's is capitalised as part of respective principal assets.

(c) Intangible assets

Intangible assets are stated at cost less amortisation less impairment, if any. Cost comprises the purchase price and other directly attributable costs

(d) Depreciation and Amortization

Depreciation on fixed assets is provided on the written down value method, computed on the basis of useful life prescribed in Schedule II to the Companies Act, 2013, on a pro-rata basis from the date the asset is ready to put to use subject to transitional provisions of Schedule II.

	Useful life as per Schedule II
Plant & Machinery	15 Years
Vehicles	8 Years
Computers	3 Years
Factory Building	60 Years
Furniture & Fixtures	10 Years
Office Equipment	5 Years

(e) Impairment of property, plant and equipment and intangible assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specified to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(f) Leases

Leases where the lesser effectively retain substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

(g) Inventories

Inventories are valued as follows: -

Raw materials, components, stores, and spares and packing material	Lower of cost and net realizable value. Cost represents purchase price and other direct costs and is determined on a moving average cost basis. However, materials and other items held for use in the production of inventory are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost.
Work in progress and manufactured finished goods	Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads operating capacity. The cost of finished goods is determined on a moving average cost basis.

(h) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

(i) Sale of goods: Revenue from the sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

(ii) Interest Income: Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

(iii) Export benefits/incentive: Export entitlements under duty drawback scheme is recognized in the statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of the exports made.

(i) Foreign currency transactions

(i) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are reposted using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(iii) Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

(j) Retirement and other employee benefits

(i) The company contributes provident fund into employee provident fund scheme managed by regional provident fund commissioner, the contributions are charged to the Statement Profit and Loss. There are no other obligations other than the contribution payable.

(ii) Gratuity liability is defined benefit obligations and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The Company presents its leave and gratuity liability as current and non-current based on reports of actuarial valuation.

(iii) The company does not have a policy for accumulation of leaves. The unused entitlement expires at the end of reporting date.

(iv) Actuarial gains/losses are immediately taken to Statement of Profit and Loss and are not deferred.

(k) Taxation

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax Act, 1961 enacted in India. Deferred income taxes reflect the impact of the current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred Tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax

assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company reassesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes down the carrying amount of a deferred tax assets to the extent it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such written down is reversed to the extent that it becomes reasonably certain, as the case may be, that sufficient future taxable income will not be available.

(l) Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equities shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(m) Provisions

A provision is recognized when an enterprise has a present obligation because of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(n) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confined by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(o) Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

Summary of significant accounting policies and other explanatory notes to financial statements for the year ended 31st March 2026

1. Corporate Information:

Energy-Mission Machineries (India) Ltd. (formerly known as Energy-Mission Machineries (India) Pvt. Ltd.) ("the Company") was incorporated in January 2011 and is engaged in the business of manufacturing of Hydraulic Shearing machine, NC Hydraulic Shearing machine, Hydraulic Press-brake, NC Hydraulic Press-brake, CNC Syncro Hydraulic Press-brake, Iron worker 'Sigma', Deep drawing press, general purpose Hydraulic presses and special purpose machines. The company has its registered office at Ahmedabad, Gujarat.

In accordance with the relevant provisions of the Companies Act 2013 (the 'Act'), the members of the Company at their Extraordinary General Meeting held on 31st July, 2023 accorded their approval to change the name of the Company. The Company has since received a fresh certificate of incorporation consequent upon change of name from the Registrar of Companies Ahmedabad dated 11th August, 2023 in respect of the said change. Accordingly, the name of the Company was changed from " Energy-Mission Machineries (India) Pvt. Ltd." to " Energy-Mission Machineries (India) Ltd." effective from 11th August, 2023.

2. Basis of preparation of Financial Statements

These financial statements are prepared in accordance with Indian generally accepted accounting principles (GAAP) which Includes mandatory accounting standards as prescribed under section 133 of companies Act, 2013 ('Act') read with the companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India. The financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis in accordance with the generally accepted accounting principles in India. The accounting policies have been consistently applied by the company.

Current and non-current classifications:

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

3. Summary of Significant accounting policies

(a) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognised in current and future periods.

ENERGY-MISSION MACHINERIES (INDIA) LIMITED

(formerly known as Energy-Mission Machineries (India) Private Limited)

CIN: L29100GJ2011PLC063696

(b) Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises purchase price and any directly attributable cost for bringing the asset to its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Expenditure on account of restoration/modification/ alteration in plant and machinery, which increases the future benefit from the existing asset beyond its previously assessed standard of performance/ estimated useful life is capitalised. Insurance spares/ stand by equipment's is capitalised as part of respective principal assets.

(c) Intangible assets

Intangible assets are stated at cost less amortisation less impairment, if any. Cost comprises the purchase price and other directly attributable costs

(d) Depreciation and Amortization

Depreciation on fixed assets is provided on the written down value method, computed on the basis of useful life prescribed in Schedule II to the Companies Act, 2013, on a pro-rata basis from the date the asset is ready to put to use subject to transitional provisions of Schedule II.

	Useful life as per Schedule II
Plant & Machinery	15 Years
Vehicles	8 Years
Computers	3 Years
Factory Building	60 Years
Furniture & Fixtures	10 Years
Office Equipment	5 Years

(e) Impairment of property, plant and equipment and intangible assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specified to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(f) Leases

Leases where the lesser effectively retain substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

ENERGY-MISSION MACHINERIES (INDIA) LIMITED

(formerly known as Energy-Mission Machineries (India) Private Limited)

CIN: L29100GJ2011PLC063696

(g) Inventories

Inventories are valued as follows: -

Raw materials, components, stores, and spares and packing material	Lower of cost and net realizable value. Cost represents purchase price and other direct costs and is determined on a moving average cost basis. However, materials and other items held for use in the production of inventory are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost.
Work in progress and manufactured finished goods	Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads operating capacity. The cost of finished goods is determined on a moving average cost basis.

(h) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

(i) Sale of goods: Revenue from the sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

(ii) Interest Income: Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

(iii) Export benefits/incentive: Export entitlements under duty drawback scheme is recognized in the statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of the exports made.

(i) Foreign currency transactions

(i) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ENERGY-MISSION MACHINERIES (INDIA) LIMITED

(formerly known as Energy-Mission Machineries (India) Private Limited)

CIN: L29100GJ2011PLC063696

(ii) Conversion

Foreign currency monetary items are reposted using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the data of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(iii) Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

(j) Retirement and other employee benefits

(i) The company contributes provident fund into employee provident fund scheme managed by regional provident fund commissioner, the contributions are charged to the Statement Profit and Loss. There are no other obligations other than the contribution payable.

(ii) Gratuity liability is defined benefit obligations and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The Company presents its leave and gratuity liability as current and non-current based on reports of actuarial valuation.

(iii) The company does not have a policy for accumulation of leaves. The unused entitlement expires at the end of reporting date.

(iv) Actuarial gains/losses are immediately taken to Statement of Profit and Loss and are not deferred.

(k) Taxation

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax Act, 1961 enacted in India. Deferred income taxes reflect the impact of the current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred Tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax

ENERGY-MISSION MACHINERIES (INDIA) LIMITED

(formerly known as Energy-Mission Machineries (India) Private Limited)

CIN: L29100GJ2011PLC063696

assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company reassesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes down the carrying amount of a deferred tax assets to the extent it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such written down is reversed to the extent that it becomes reasonably certain, as the case may be, that sufficient future taxable income will not be available.

(l) Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equities shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(m) Provisions

A provision is recognized when an enterprise has a present obligation because of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(n) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confined by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(o) Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

INDEPENDENT AUDITORS' REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL RESULTS

TO THE MEMBERS OF

ENERGY-MISSION MACHINERIES (INDIA) LIMITED

(formerly known as Energy-Mission Machineries (India) Private Limited)

Opinion

We have audited the accompanying consolidated financial statements of **M/s ENERGY-MISSION MACHINERIES (INDIA) LIMITED** *(formerly known as Energy-Mission Machineries (India) Private Limited)* (herein referred as "the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2026, the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information. (hereinafter referred to as the "Consolidated Financial Statements") and the details of subsidiaries as follows:

1. EM Press Form Solutions Private Limited
2. Energy Mission Machineries Inc. (USA)

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards specified under section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March 2026, their consolidated profit and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Parent company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The accompanying consolidated financial statements have been approved by the Parent's Board of Directors.

The Parent's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014.

The respective Board of Directors of the companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the parent, as aforesaid.

In preparing the consolidated financial statements, the respective board of directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group is also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Other Matters

We did not audit the financial statements of Energy Mission Machineries USA Inc (Wholly owned Subsidiary) whose financial statements reflect total assets of Rs. 190.44 Lakhs as at 31st March, 2026, total revenues of Rs. 350.82 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub section (3) of Section 143 of the Act in so far as it relates to the afore-said subsidiary is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, this financial statements / financial information are not material to the Group.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the financial statements certified by the Management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the accompanying consolidated financial statements.
 - (b) In our opinion, proper books of account as required by the law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - (c) The consolidated financial statements dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounting Standard) Rules, 2021.
 - (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements as on 31 March 2026 and operating effectiveness of such controls, refer to our Separate Report in 'Annexure A' wherein we have expressed a unmodified opinion and

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE A

TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of the Parent company and its subsidiary companies, which are companies incorporated in India, as of 31st March 2026 in conjunction with our audit of the consolidated financial statements of the Parent Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Director's of the Parent company and its subsidiaries companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to consolidated financial statements criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls with reference to financial statements of the Parent Company and its subsidiaries companies, which are companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the group;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the respective companies in Group; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Parent Company and its subsidiaries companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Principles of Consolidation

The Consolidated Financial Information of the Group include the financial statement of the Holding Company and its subsidiaries and have been combined in accordance with the Accounting Standard (AS) 21 "Consolidated Financial Statements", on a line-by-line basis by adding the book value of like items of assets, liabilities, income and expenses, after eliminating intragroup balances / transactions and unrealized profits / losses in full.

The Consolidated Financial Information of the Group have been prepared using uniform accounting policies for like transactions and other events in similar circumstances as mention in those policies, in the same manner as the Holding Company's separate financial statements except as otherwise stated in the Significant Accounting Policies.

The excess / deficit of cost to the Holding Company of its investment over its portion of equity in the subsidiaries at the respective dates on which investment in subsidiaries was made is recognized in the Consolidated Financial Statements as "Goodwill on consolidation" / "Capital Reserve". The said goodwill is not amortized, however, it is tested for impairment at each balance sheet date and the impairment loss, if any, is provided for."

Minority interest is the amount of equity attributable to minorities at the date on which investment in a subsidiary is made.

Consolidated financial statements are prepared using uniform accounting policies across the Group, except as stated in significant accounting policies.

3. Summary of Significant accounting policies

(a) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognised in current and future periods.

(b) Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises purchase price and any directly attributable cost for bringing the asset to its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Expenditure on account of restoration/ modification/ alteration in plant and machinery, which increases the future benefit from the existing asset beyond its previously assessed standard of performance/ estimated useful life is capitalised. Insurance spares/ stand by equipment's is capitalised as part of respective principal assets.

(c) Intangible assets

Intangible assets are stated at cost less amortisation less impairment, if any. Cost comprises the purchase price and other directly attributable costs

(d) Depreciation and Amortization

Depreciation on fixed assets is provided on the written down value method, computed on the basis of useful life prescribed in Schedule II to the Companies Act, 2013, on a pro-rata basis from the date the asset is ready to put to use subject to transitional provisions of Schedule II.

	Useful life as per Schedule II
Plant & Machinery	15 Years
Vehicles	8 Years
Computers	3 Years
Factory Building	60 Years
Furniture & Fixtures	10 Years
Office Equipment	5 Years

(e) Impairment of property, plant and equipment and intangible assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are disconnected to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specified to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(f) Leases

Leases where the lesser effectively retain substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

(g) Inventories

Inventories are valued as follows: -

Raw materials, components, stores, and spares and packing material	Lower of cost and net realizable value. Cost represents purchase price and other direct costs and is determined on a moving average cost basis. However, materials and other items held for use in the production of inventory are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost.

(h) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

(i) Sale of goods: Revenue from the sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

(ii) Interest Income: Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

(iii) Export benefits/incentive: Export entitlements under duty drawback scheme is recognized in the statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of the exports made.

(i) Foreign currency transactions

(i) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are reposted using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(iii) Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

ENERGY-MISSION MACHINERIES (INDIA) LIMITED

(formerly known as Energy-Mission Machineries (India) Private Limited)

CIN: L29100GJ2011PLC063696

(j) Retirement and other employee benefits

(i) The company contributes provident fund into employee provident fund scheme managed by regional provident fund commissioner, the contributions are charged to the Statement Profit and Loss. There are no other obligations other than the contribution payable.

(ii) Gratuity liability is defined benefit obligations and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The Company presents its leave and gratuity liability as current and non-current based on reports of actuarial valuation.

(iii) The company does not have a policy for accumulation of leaves. The unused entitlement expires at the end of reporting date.

(iv) Actuarial gains/losses are immediately taken to Statement of Profit and Loss and are not deferred.

(k) Taxation

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax Act, 1961 enacted in India. Deferred income taxes reflect the impact of the current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred Tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company reassesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes down the carrying amount of a deferred tax assets to the extent it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such written down is reversed to the extent that it becomes reasonably certain, as the case may be, that sufficient future taxable income will not be available.

(l) Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equities shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(m) Provisions

A provision is recognized when an enterprise has a present obligation because of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(n) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confined by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(o) Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

41. Mismatch in Balance of Secured Loan from HDFC Bank

In respect of HDFC Term Loan Account No. 84362704, outstanding balance as per Bank Statement is in excess as compared with balance as per books of accounts amounting to Rs. Rs. 7,16,788/- as on 31/03/2026. This excess balance is on account of non-reflection of EMI paid by company during earlier financial years. In this regard, company is already following with the Bank for correction of the same in the Bank Statement and the management believes that it has no impact on the financials of the company.

42. Previous year figures have been regrouped/rearranged where considered necessary to confirm those of current year classification.
